4.5.11. Purchase by Phone. The cardholder should follow the same instructions for making in-person purchases. In addition, be sure that the total amount (including all shipping, handling, freight, etc.) will not exceed the card's single purchase limit. When calling a vendor, state that you are calling from the University Center at Ponca City and that you will be using a corporate purchasing card for this purchase.

- Emphasize that the University Center at Ponca City is tax exempt. (Cardholder may be required to fax a copy of the Oklahoma Tax Exemption letter to the merchant).
- If items will be shipped, remember to give the vendor your name, department name, phone number and complete delivery address specifying inside delivery.
- Ask for a confirmation number after the vendor takes the order.
- Give the vendor your P-Card number and expiration date. Request a receipt and/or packing slip with itemized description and pricing information to be sent with the purchase. Retain these documents with your record of the purchase.
- Keep written documentation for phone purchases, to include: date, vendor, description of items(s) purchased, amount, freight, handling, and insurance amount. After you receive the items, keep packing lists and any other documentation.
- Log purchase on the Transaction Log.

4.5.12. Purchase by Fax. Follow the applicable steps for making purchases in person or by phone (above).

- Retain a copy of the order form and fax confirmation (if available) for your records.
- Do not mail an original order form to the vendor, since doing so could result in a duplicate order. If the company requires a mailed original purchase order, clearly mark on it "confirming order, do not duplicate."
- Provide receipt to Associate Director.
- The Associate Director will log the purchase on the Transaction Log.

4.5.13. Purchase by Mail. Follow the applicable steps for making purchases in person or by phone (above).

- Retain a copy of the order form, including the address to which it was mailed. Request a receipt be sent to you.
- Once the item is received, provide the receipt to the Associate Director.
- The Associate Director will log the purchase on the Transaction Log.

4.5.14. Internet Purchases. It is recommended that Internet purchases be made from a secure site or sites that provide account number encryption.

- Departmental policies and good judgment should be used when ordering over the Internet.
- Follow the applicable steps for making purchases by mail.
- Print appropriate screens to include item description, cost, and total cost. Retain printed documentation of purchase.
- Provide the receipt to the Associate Director.
- The Associate Director will log the purchase on the Transaction Log.

4.5.15. Returns, Damaged Goods, Credits, Back Orders. If materials purchased with the P-Card need to be returned, the cardholder should work directly with the supplier.

- Retain boxes, containers, special packaging, packing slips, etc. until you are sure you are going to keep the materials. Some items, such as software or fragile pieces, cannot be returned without the original packaging materials.
- Read all enclosed instructions carefully. Often a phone number or instructions for returning the materials are included on the packing slip and/or receipt.
- Many suppliers require a “Return Authorization Number” before they will accept a return. A “Return Authorization Number” is obtained from the shipper. In cases where a “Return Authorization Number” is required, if a package is returned without it, the package will be refused and no credit will be issued to your account.
- Request a credit receipt for returned items. Some companies may not provide this receipt unless requested.
- In some cases there may be a restocking fee (usually a percentage of the purchase price). If the vendor is responsible for the error or problem, you should not have to pay a restocking fee. If the vendor is not responsible, you may have to pay the restocking fee. You may use the P-Card to pay this fee, as long as it does not exceed any of your limits or violate policies.
- Keep on file all documentation pertaining to returns and credits. Check the monthly statement to make sure that the charge for the returned item(s) is credited properly.
- No charges should be incurred for backorders. Charges can only be applied for material that has been received or shipped from vendors dock.

4.5.16. Disputed Transactions. If the cardholder and the supplier cannot resolve the issue, the Associate Direct will contact Bank of America within sixty (60) days of the statement date. Mark the transaction as disputed on the statement.

4.5.17. Allowable Charges. The Office of State Finance will periodically provide guidelines on the types of purchases that are generally allowable for P-Card use.

4.5.18. Non-Allowable Charges.

4.5.18.1. Conflict of Interest. As with any purchase made for the University Center at Ponca City, a cardholder shall not purchase goods or services from a member of their immediate family or realize personal gain. The cardholder shall inform his/her supervisor in writing of reasonable foreseen potential conflicts of interest.

Non-Allowable Charges:

- Fuel.
- Professional/Personal services rendered by individuals, corporations, partnerships, or any other entity, including but not limited to consultants, attorneys, physicians, engineers, architects, public accountants or computer programmers.
- Other purchases not permitted under University Center at Ponca City Policy and Procedures.

4.5.19. Conference and Training Fees

The P-Card may be used to contract for conference/training course fees. Conference equipment (such as audio or video equipment), conference/training rooms, conference/training set-up services and conference/training materials may be included except goods and services as prohibited by Section 4.5.18. If P-Card purchases from a grant or contract are determined (by audit or otherwise) to be unallowable on the grant or contract, charges will be transferred to the employee's department.

4.6. PURCHASING

The CEO of the University Center at Ponca City has the authority to make purchases for the benefit of the program. In the absence of the CEO, authority to make purchases is delegated to the Associate Director (subject to the requirements set forth in paragraphs 4.6.1. and 4.6.2. below). All purchases are reviewed by the Associate Director to insure fund availability and accountability. Purchases in excess of \$10,000 or capital improvement projects first require approval from the Board of Trustees.

4.6.1. Competitive Bids. The University Center at Ponca City adheres to a purchasing process based on competitive bids as defined in the State Purchasing Policy. Informal quotations are acceptable and are required to be documented by the employee receiving the informal quotation. The informal quotation is maintained with a requisition submitted to the purchasing department at the Oklahoma State Regents for Higher Education.

4.6.2. Informal and Formal Bid Process. Purchases between \$2,500 and \$24,999 fall under the requirements of an informal bid process. Purchases over \$25,000 will require the University Center at Ponca City to prepare formal bid specifications (RFPs), receive vendor bids, and determine the recipient of the contract. These dollar amounts conform to state guidelines, and may be administratively changed as state laws change.

4.6.3. Required Documentation. The University Center at Ponca City maintains adequate documentation to substantiate that requirements of purchasing policies have been followed. This documentation includes: vendor bids, purchase requisitions,

purchase orders, invoices, and vendor payment records. In addition to this documentation, a spreadsheet is maintained where all purchases are recorded. The purchases on this spreadsheet are reconciled on a monthly basis to the monthly ledger from the purchasing department at the Oklahoma State Regents for Higher Education.

4.6.4. State Contract and State Organizations. Contracts of State Central Purchasing, the Federal General Services Administration, other system institutions, institutional consortiums and other approved sources (Example: OneNet) will be used by the University Center at Ponca City when the program's needs can be adequately and economically served by such a source.

4.6.5. Sole Source. The University Center at Ponca City's policies allow purchases from a sole source only after reasonable efforts have been made to identify all possible sources. When purchases are made from a sole source, the CEO requires the employee making the purchase draft a sole source statement justifying the reasons why the purchase was from a sole source. The CEO has authority to sign the Sole Source Affidavit.

4.6.6. Split Purchasing. Split purchasing is prohibited. Split purchasing occurs when goods or services are artificially divided into separate contracts for the purpose of evading the competitive bidding requirements of this policy.

4.6.7. Annual Contracts. Contracts for goods and services of less than \$10,000. This may include, but is not limited to, participatory membership contracts, maintenance contracts and state University Center service contracts.

The following persons are authorized to sign requisitions, purchase orders, change-order requests, or sole source affidavits:

- CEO – requisitions, purchase orders, change-orders, sole source affidavits
- Associate Director – requisitions, purchase orders, change-orders

4.7. INVENTORY

4.7.1. Inventory Tracking System. All equipment received by the University Center at Ponca City costing over \$500 will be recorded in the Inventory Tracking System. When equipment is acquired, it will be tagged with an inventory number, and recorded in the Inventory Tracking System using the inventory number, item description, quantity, serial number, model number, purchase order number, source, cost, location, and any other information determined necessary to identify the equipment. All equipment that is added to the Inventory Tracking System in accordance with this policy will be deemed as approved by the University Center's Board of Trustees.

4.7.2. Items Not Inventoried. Supplies and other items considered to be supplies or materials not having a life span of one or more years or items costing \$500 or less will not be recorded in the Inventory Tracking System.

4.8. DECLARATION AND DISPOSAL OF SURPLUS PROPERTY

4.8.1. Method of Disposal Process. When an inventoried item is no longer needed or is broken and repair is not possible or economically feasible, the administration shall present the item(s) to the University Center Board of Trustees as a surplus item with recommendation as to the method of its disposal. Items may be traded-in on the purchase of new items without being declared surplus.

4.8.2. Methods of Disposal as Prescribed by Law shall include discarding, transfer or redistribution to another state agency, or sale.

4.8.3. Sale of Surplus Property. A sale of surplus property may be accomplished by public announcement as to date and types of property through auction or sealed bids. The University Center at Ponca City may contract with an auctioneer to conduct such sale. Notification of items to be sold by sealed bids may be mailed to interested parties in addition to public announcement. All monies realized by such sales will be deposited in the Center's revolving fund (number 20700).

4.8.4. Transfer of Surplus Items. Items may be offered for transfer to another state agency through direct notification. The participating institutions will be given first choice of transfer. If no other agency contacted desires the property, it may be offered for sale.

4.8.5. Discarded Property. Property will not be discarded if it is feasible to include it for transfer or sale. Property of no value may be discarded with the approval of the Board of Trustees.

4.8.6. Authorized Personnel to Approve Surplus Property. The CEO and the Associate Director are authorized to approve surplus property transactions.

4.9. COMMUNICATION WITH LEGAL COUNSEL

4.9.2. Communication with Legal Counsel. Communication with legal counsel is generally conducted by the Board Chair and/or the CEO. Individual board members should notify the Chair or CEO prior to making requests for legal advice from the University Center legal counsel.

CHAPTER 5. PERSONNEL POLICIES AND PROCEDURES

PREAMBLE

These policies and procedures comprise the University Center at Ponca City's official guidelines on personnel matters. The primary purpose of the Employee Handbook is to provide a single source of information on personnel policies and procedures for all employees as well as for the management staff responsible for applying them.

This document, approved by the University Center at Ponca City Program Board of Trustees in a regular meeting on June 18, 2015, supersedes all previous personnel policy documents and becomes effective June 18, 2015, unless otherwise expressly provided, or unless the federal or state law governing a particular policy mandates a different effective date.

INTRODUCTION

By law, all employees of the University Center at Ponca City are employees at will. As at-will employees, employees are not covered by the statutes and administrative procedures commonly referred to as the Merit System of Personnel Administration, although certain provisions of the Oklahoma Personnel Act do apply.

No provision of this policy handbook shall be considered to create any expectation of continued employment, or property interest, whatsoever. The CEO may exercise his or her discretion to terminate any person's employment without reference to any specific procedure, or prior notice to the employee, unless otherwise required by law.

Any provision of any previous Employee Policy Handbook of this office regarding an employee's rights of employment by the University Center at Ponca City Program is hereby rescinded.

The information contained in this policy handbook is intended to be of assistance to employees of the University Center at Ponca City in carrying out their duties and determining their rights as employees of this office and the State. However, information relating to matters governed by state law, Executive Order, or rules and regulations of any other office or University Center of the State, is subject to change. It is the responsibility of each individual employee to verify the currency of the information provided in this manual.

Where authority is given to the CEO and certain supervisory level employees in any policy contained in this manual, the CEO will determine which employees are authorized to act. In the event of an absence from the University Center for an extended period of time, the Associate Director is authorized to act in his or her place during the absence.

The CEO will periodically review all personnel policies contained in this manual and recommend updates, deletions or enhancements to the University Center at Ponca City Board of Trustees as appropriate. The CEO is authorized to make policy changes to conform to changes in federal or state law, unless the changes significantly alter University Center policy. The CEO is also authorized to make other changes in the handbook insofar as they pertain to procedural, non-policy matters. Such changes will be reported to the Board of

Trustees on an annual basis.

5.1. EQUAL OPPORTUNITY

The University Center at Ponca City is committed to equal employment opportunity and to employment of only U.S. nationals and those aliens authorized to work in the United States. This policy is to assure that available human resources will be fully utilized and that all appointments, promotions and transfers will be made on the basis of individual qualifications and merit without regard to race, creed, color, national origin, sex, age, religion, disability or status as a veteran. The CEO and the Board of Trustees of the University Center at Ponca City reaffirm that the University Center will comply fully with all applicable state and federal laws.

5.2. REPORTING STRUCTURE. All employees of the University Center report to the CEO. The CEO reports to the Board of Trustees.

5.2.1. Appointment Authority. The CEO will appoint all personnel. For positions of Associate Director and Academic Advisor/Counselor, appointments will be subject to Board of Trustees' approval. 5.2.1.1. The letter of appointment from the CEO is the official document authorizing and confirming employment. All new full-time employees will receive written notification of employment from the CEO indicating the position title, salary, benefits and starting date.

5.3. NEPOTISM

Oklahoma law (21 O.S. 1991, §§481-487) prohibits the hiring of relatives of Trustees; it also prohibits the hiring of relatives of the CEO for those positions which he or she is authorized to fill without Trustees' approval. The term "relative" or "related" includes the following relationships: father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother or half-sister.

5.4. HIRING, RESIGNATION, SUSPENSIONS, REDUCATION IN FORCE, TERMINATIONS

5.4.1. Recruitment. All vacancies will be announced internally in a job opportunity announcement which may be transmitted by any or all of the following methods: paper, email, or bulletin board posting. Current employees (including temporaries employed either by the University Center or contracted from employment services) may apply for vacant positions without fear of adverse consequences from any Trustee or staff member, and such application will in no way jeopardize the current employment status of the applicant.

5.4.1.1. Positions not filled by internal candidates will be advertised externally as required. The CEO will be responsible for all recruitment activities, including advertising and receipt of applications.

5.4.1.2. Vacancies will be advertised for a minimum of 3 days internally and externally (if necessary) until a representative pool of applicants is received, unless an emergency exists and the CEO authorizes a shorter advertisement period.

5.4.1.3. The CEO will receive all applications. The direct supervisor will perform initial review to ensure that applicants possess the minimum qualifications needed for consideration, review applications of qualified individuals, and determine candidates to be interviewed. The supervisor, Associate Director and Director may comprise a screening committee to review applications and interview finalists for all positions.

5.4.1.4. All applicants will be notified when the position is filled.

5.4.1.5. Temporary employees who are employed for periods less than 1 year may be appointed by the CEO without adhering to the recruitment process.

5.4.2. Official Application. An application is deemed complete only when the official University Center application form is on file with the University Center at Ponca City and accompanied by (a) a curriculum vitae or resume, (b) a letter of application, and (c) reference information, as described in the job announcement.

5.4.1.1. The application, Affirmative Action/EEO applicant profiles, all accompanying documentation, the memorandum of recommendation (or Personnel Request Form), as well as the reasons for rejection or selection of applicants will be recorded and maintained in the University Center personnel files for not fewer than five years after the closing date for the position.

5.4.1.2. Any employee who misrepresents facts or states false information on their resume/application will be subject to termination.

5.4.3. Probationary Period. Every employee appointed to a position, except the CEO, and those employed on a temporary basis, shall serve a probationary period of six months (180 days). The probationary period is part of the selection process for all regular appointments and is for the purpose of determining an employee's suitability for the position.

5.4.3.1. Written performance evaluations will be performed during the probationary period as required. The probationary period may be extended by the CEO due to extenuating circumstances up to a maximum of 12 months (365 days).

5.4.3.2. If the employee is not deemed suitable for the position, they shall be notified in writing of the date employment will be terminated. In cases of termination, an employee shall not have recourse to the grievance process,

except as otherwise provided by law.

5.4.3.3. Employees who are transferred or promoted from one position to another during the probationary period will be required to complete at least six months (180 days) probation in the new position. Temporary employees who have worked more than six months are considered to have fulfilled the probationary period if the same job is made permanent.

5.4.3.4. A current copy of the Employee Policy Handbook will be maintained in the University Center at Ponca City office. The policy handbook will be reviewed with new employees during orientation. Every University Center employee will have access to the employee handbook either electronically or in print.

5.4.4. REDUCATION IN FORCE (RIF)

Conditions and circumstances may necessitate a reduction in workforce from time to time. The CEO shall approve the need for personnel reduction due to lack of work, lack of funds, or the abolition, reorganization or reduction of an activity. Following the approval of layoff action by the Board of Trustees, the CEO will assure equity in layoff decisions, review equal employment profiles and make every effort to place those employees designated for layoff in other positions within the University Center for which they qualify or assure their continued consideration for other positions as they become available.

5.4.4.1. Written notification of layoff will include the reason for the layoff, the effective date of the layoff, and a statement regarding consideration for re-employment if appropriate.

5.4.5. RESIGNATIONS

An employee shall submit written notice of resignation to the CEO and the immediate supervisor at least two weeks in advance to the employee's final work day. Executive, administrative, professional, and technical staff members should provide as much notice as possible, consistent with the nature and importance of their responsibility as members of the administrative team.

The CEO can accept the resignation of employees immediately on behalf of the Board of Trustees through written correspondence and notification to the Board Chair.

5.4.6. TERMINATIONS

5.4.6.1. Involuntary Separation. All individuals employed by the University Center are considered at-will employees.

5.4.6.2. Employee Absenteeism. Any employee who is absent for three days without notifying their supervisor or the CEO of the reason for the absence will be presumed to have abandoned their position. Abandonment may result in immediate termination of employment.

5.4.6.3. Violations of Policy. Violations of any University Center at Ponca City policy can provide the basis for disciplinary action, up to and including termination. The following general causes may provide independent grounds for suspension without pay, involuntary demotion or discharge of any University Center employee:

- Misconduct
- Insubordination
- Inefficiency
- Inability or failure to perform the duties of the position in which employed
- Conduct unbecoming a public employee
- Conviction of a crime involving moral turpitude
- Any other just cause

5.4.7. Pre-Employment Background screening. The University Center will conduct standard, pre-employment background screenings on all, new employees (full-time, part-time, contract employees) to substantiate their qualifications for employment. Criminal background checks in addition to a credit check will be conducted in addition to the standard pre-employment screening.

The University Center will utilize the services of a third-party vendor as part of the procedure for processing any application for employment. Employees cannot begin work until the criminal history check is complete.

5.4.7.1. Once results are received regarding the results of the pre-employment background screening, 2 signatures must be obtained:

1. CEO or the Associate Director
2. A member of the Board of Trustees' Executive Council

Once approval signatures are received, the CEO or Associate Director may make arrangements with the new employee to begin work at the University Center

5.4.8. Criminal History Check for Volunteers. The University Center will conduct a criminal history background screening for anyone who wishes to serve in a volunteer capacity at the University Center. The same procedures for approval will be followed as stated in 5.4.7.1.

5.5. SUSPENSION

5.5.1. Suspension without Pay. When appropriate, the University Center may suspend an employee without pay for any of the reasons listed above or for internal investigatory purposes for up to sixty (60) calendar days within any twelve (12) month period.

If the employee is suspended in conjunction with an internal investigation and is subsequently cleared, the University Center shall reinstate the employee to the former position with full rights and without loss of pay or other benefits. The University Center shall fully clear any of the employee's record in its custody. If the charges against the

employee are confirmed, in whole or in part, a suspension in conjunction with an internal investigation shall not preclude the University Center from extending the period of suspension up to a maximum of sixty (60) days or taking other disciplinary action.

5.5.2. Suspension with Pay. The University Center may suspend an employee from duty with pay for internal investigatory purposes. The University Center may require the employee to remain available during specified working hours to meet with investigators or other University Center officials as required. A notice of suspension with pay, stating the beginning and ending dates and times and specifying any reporting requirements shall be issued to the employee in writing. An employee shall not be placed on suspension with pay for more than a total of thirty (30) working days within any twelve (12) month period. If the charges against the employee are not confirmed in whole or in part, the University Center shall fully clear any of the employee's records in its custody. If the charges against the employee are confirmed, in whole or in part, the University Center may take disciplinary action as it deems appropriate.

5.6. PERFORMANCE APPRAISALS AND FEEDBACK SESSIONS

A major component of the success of any organization is efficient, effective employee performance and feedback. Performance evaluations and feedback sessions are basic to good personnel management and are considered a fundamental part of each supervisor's job assignment.

5.6.1. Frequency and Methods of Measuring Performance. All University Center employees shall receive a performance evaluation at least once a year (normally between March and May) from their immediate supervisors. Evaluations may be conducted more frequently if a supervisor determines it necessary.

5.6.1.1. New employees may receive an evaluation at the end of their probationary period. Each employee will be evaluated by his or her supervisor. Performance evaluations are to be separated sufficiently in time from the University Center's budgeting process so that the focus of the evaluation is on employee development. However, the evaluation should be close enough to the budgeting process so that the results are meaningful when used in the merit salary recommendation process.

5.6.2. Performance Evaluation Documentation. Performance evaluations are to be documented and signed by the employee's immediate supervisor and the employee. The employee's signature is not interpreted to mean agreement with the evaluation but rather acknowledgment that the evaluation has been discussed with the employee. A copy of the written evaluation will be provided to the employee if requested.

- The evaluation of employee performance will be documented on a form approved by the CEO. The form will provide an opportunity to outline acceptable levels of competence, areas in need of improvement and training and assistance to be

provided to enhance the employee's overall work performance. The form, either formal or informal, in paper or electronic format, is not to be a static instrument and may be changed, but employees will be advised of the evaluation format in advance.

5.6.3. Frequency of Feedback Sessions. In addition to the performance evaluation, the CEO and all supervisors will be required to conduct a formal feedback session based on the University Center's core values at least one time per quarter. The feedback session will be documented on the Feedback Session Form.

5.7. PERFORMANCE IMPROVEMENT PLAN

The Performance Improvement Plan (PIP) is designed to facilitate constructive discussion between a staff member and his or her supervisor and to clarify the work performance and work conduct to be improved. After a supervisor has documented two (2) incidents of employee misconduct or performance issues, a supervisor will sit down with a staff member and either the CEO or Associate Director and implement a PIP. Employees have 30 days to comply with the PIP or risk termination.

5.8. PAY POLICIES

5.8.1. Full-Time Employees. Full-time, regular staff members are paid on a salary basis and are paid monthly for their services, with checks electronically deposited on the last working day of each calendar month. Whenever it is used in this handbook, the term "full-time" means forty (40) hours per week, unless otherwise provided.

5.8.2. Part-Time Employees. Part-time and temporary (hourly or daily) employees are paid on an hourly basis and are paid by special payroll following the end of the period for which the services is rendered but usually no later than the 30th day of each month following the period worked. Whenever it is used in this handbook, the term "part-time or temporary" means someone who works up to thirty-nine (39) hours per week, unless otherwise provided.

5.8.3. Payroll Deductions. University Center employees may request payroll deductions for pre-authorized contributions (e.g., credit union payments, U.S. savings bonds and retirement annuities) from their monthly pay in accordance with governing statutes.

5.9. SALARY SCHEDULE

5.9.1. Position Classification. The University Center at Ponca City Program classifies positions as exempt or non-exempt according to the job description for each position. Responsibilities, duties, and requirements of The Fair Labor Standards Act are assessed by the CEO and supervisors when making the recommendation.

All positions in the University Center at Ponca City are important in advancing the University Center's mission, serving students, and administering all activities in an effective and efficient manner. The classification according to the "salary" and "duties"

tests, as required by law, do not designate any position as more or less important to the operation of the University Center than another. Salary schedules have been developed for all professional, exempt employees and approved by the Board of Trustees (Appendix C). Determining the starting step for professional employees is determined by the CEO. The Board of Trustees may make changes to the salary schedule at any time.

5.9.2. Wage and Salary Administration. All policies regarding wage and salary administration will be maintained by the CEO. It is the responsibility of the CEO to monitor external pay practices to ensure University Center compensation practices are market competitive. Pay ranges will be reviewed at least annually. Wage and salary decisions will be based upon objective appraisal of employee performance.

5.9.3. Confidentiality. Wage and salary information regarding an individual employee is personal information and should not be discussed by and between employees within the University Center. Confidentiality within the office is encouraged. Some wage and salary information is subject to the provisions of the Oklahoma Open Record Act, 51 O.S. 1991, §§24A.1, et seq., as amended.

5.9.4. Reclassification and Pay Changes. Reclassifications include promotions, demotions and lateral reassignments within a job classification.

5.9.5. Promotions. Promotions involve a change in job duties and a distinct increase in job responsibilities. Promotions will normally be accompanied by a promotional salary increase to provide tangible recognition of the acceptance of greater responsibility.

5.9.6. Demotions. Demotions will be individually evaluated by the CEO.

5.9.7. Formal Approval of Changes. All of the above personnel actions require approval of the CEO. Any of the personnel actions indicated above require ratification by the University Center at Ponca City Board of Trustees if they involve positions at the executive exempt level or above.

5.10. EMPLOYEE RECORDS

5.10.1. Access to Employee Records. Every employee has the right to review his or her individual personnel record on file in the CEO's office in accordance with the provisions of the Oklahoma Open Records Act. All files must be reviewed in the office and may not be removed from the area.

5.10.2. Communication and Duplication of Records with OSRHE Personnel Office. Because of the close administrative association of this office with the Oklahoma State Regents for Higher Education Human Resources and payroll offices, certain records will be duplicated in other offices. Changes in law, forms, or other areas affecting State Regents employees may also affect employees of the University Center at Ponca City. The CEO will maintain a close relationship with the Office of

Human Resources and/or the Payroll/Benefits office in order to advise employees of such changes.

5.11. BENEFITS FOR FULL TIME EMPLOYEES

University Center staff employed and classified as “full-time” are eligible for the following benefits as defined by Oklahoma State statutes for Oklahoma State Employees.

The University Center at Ponca City’s fiscal agent (The Oklahoma State Regents for Higher Education) in regards to payroll and benefits becomes effective September 1, 2012. The University Center at Ponca City adopted the benefits package of the Oklahoma State Regents for Higher Education similar to the policy followed by the previous fiscal agent.

5.11.1. Health Insurance Benefits. Employees may choose between different health plans offered through the OMES-EGID. The University Center at Ponca City currently pays the equivalent of the Health Choice High Option toward the employee’s monthly premium. If an employee chooses a more expensive plan, employees may use up to the amount of the Employee Wellness stipend with any additional difference deducted from the employee’s pay. If the employee chooses a less expensive plan, he or she will not be paid the difference. Dependent coverage is available and is paid by the employee. The employee has the option to pay premiums on a pre-tax basis through the cafeteria plan.

5.11.2. Dental. Employees may choose between HealthChoice, Delta Dental, Assurant, and CIGNA. Employee coverage is paid for by the University Center at Ponca City. Dependent coverage is available and is paid by the employee on a pre-tax basis through the cafeteria plan.

5.11.3. Vision. Employees may choose between Humana/CompBenefits VisionCare Plan, Primary Vision Care Services, Superior Vision Plan, UnitedHealthcare Vision, and Vision Service Plan (VSP). Employee coverage is paid for by the University Center at Ponca City. Dependent coverage is available and is paid by the employee on a pre-tax basis through the cafeteria plan.

5.11.4. Life Insurance. The University Center at Ponca City pays for life insurance coverage for employees in an amount equal to twice their annual salary in \$20,000 increments as of October 1 of each year. Additional employee and dependent life insurance is available for purchase and is paid by the employee.

5.11.5. Short and Long-Term Disability. The University Center at Ponca City pays for long term disability coverage equal to 60% of the employee’s salary. Short and long-term disability insurance is purchased from the Office of Management and Enterprise Services (OMES) Employees Group Insurance Division (EGID). OMES-EGID will process all claims for short-term disability claims on behalf of the University Center.

5.11.6. Flexible Benefit Plan (Section 125). A flexible benefits plan pursuant to Section 125 of the Internal Revenue Code is available under which an employee may purchase health, dental, life and vision insurance coverage for dependents on a pre-tax basis, as well as cancer and vision coverage for the employee. In addition, an employee may prepay certain medical and child care expenses on a pre-tax basis. The scope of benefits offered under this plan is controlled by federal law and is subject to change without notice. The plan is administered by American Fidelity. Employees make these elections when they are hired for the current calendar year and annually thereafter. The UC allows for the employee to utilize the carryover provisions pursuant to Section 125 of the IRS code.

If an employee fails to make payments required to maintain dependent health care benefits and/or other insurance benefits during unpaid FMLA leave, the payments may be advanced by the University Center and the employee will be responsible for reimbursing the Agency for the employee's portion of the premium payments whether or not the employee returns to work.

- However, it is recognized that public officers in the State System have a duty to advise the Legislature and citizenry as to the needs of higher education in Oklahoma. Such activities are permitted where they are directly related to fulfilling the duties and obligations set forth under the Oklahoma Constitution, or the statutes of the State, and as they may be specifically authorized by the University Center or State Regents for Higher Education.
- Notwithstanding any of the foregoing, the CEO shall not endorse any candidate nor shall attend any political fundraising events.

5.18. EMPLOYEE USE OF SOCIAL MEDIA

This policy addresses University Center employees' use of publicly available social media networks including, but not limited to: personal Web sites, Web logs (blogs), wikis, social networks, online forums, virtual worlds, and any other social media. The University Center

takes no position on employees' decision to participate in the use of social media networks for personal use on personal time, using personal computer equipment or other devices capable of accessing the internet. However, use of these media for personal use during University Center time or on University Center equipment is prohibited. In addition, employees must avoid posting any information or engaging in communications that violate state or federal laws or University Center policies. This does not apply to employees posting information as requested by the CEO or Associate Director on University Center sponsored social media networks.

When employees choose to join or engage with University Center students, families or fellow employees in a social media context that exists outside those approved by the University Center, they are advised to maintain their professionalism as University Center employees and have responsibility for addressing inappropriate behavior or activity on these networks, including requirements for mandatory reporting.

5.18.1. Requirements

University Center employees are expected to serve as positive ambassadors for the Center and to remember they are role models to students in the community. Because readers of social media networks may view the employee as a representative of the University Center, the University Center requires employees to observe the following rules when referring to the University Center, its partner schools, students, programs, activities, employees, and volunteers on any social media networks:

- An employee's use of **any** social media network and an employee's postings, displays, or communications on **any** social media network must comply with all state and federal laws and any applicable University Center policies.
- Employees must be respectful and professional in all communications (by word, image or other means). Employees shall not use obscene, profane or vulgar language on any social media network or engage in communications or conduct that is harassing, threatening, libelous, or defamatory or that discusses or encourages any illegal activity or the inappropriate use of alcohol, use of illegal drugs, sexual behavior, sexual harassment, or bullying.
- Employees must make clear that any views expressed are the employee's alone and do not necessarily reflect the views of the University Center.
- Employees may not act as a spokesperson for the University Center or post comments as a representative of the University Center, except as authorized by the CEO or the CEO's designee. When authorized as a spokesperson for the University Center, employees must disclose their employment relationship with the University Center.
- Employees may not disclose information on any social media network that is confidential or proprietary to the University Center, its students, partner schools, or employees or that is protected by data privacy laws.

- Employees must obtain permission to post the University Center logo on any social media network.
- Employees must have their co-workers consent before posting images of them.
- Employees may post images of students taken in the public arena as long as it meets FERPA guidelines.
- Employees may not post any nonpublic images of the University Center premises and property, including floor plans.

The University Center recognizes that student groups, partner schools or members of the public may create social media representing students or groups within the University Center. When employees choose to join or engage with these social networking groups, they do so as an employee of the University Center. Employees have responsibility for maintaining appropriate employee-student relationships at all times and have responsibility for addressing inappropriate behavior or activity on these networks.

Employees who participate in social media networks may decide to include information about their work with the University Center as part of their personal profile, as it would relate to a typical social conversation.

Employees are authorized to include:

1. Work information included in a personal profile, to include the University Center's name, job title, and job duties.
2. Status updates regarding an employee's own job promotion.
3. Personal participation in University Center sponsored events, including volunteer activities.

An employee who is responsible for a social media network posting that fails to comply with the rules and guidelines set forth in this policy may be subject to discipline as permitted by applicable law and policy. Employees will be held responsible for the disclosure, whether purposeful or inadvertent, of confidential or private information and information that violates the privacy rights or other rights of a third party. Employees will be held responsible for the content of anything they post on any social media network.

Anything posted on an employee's Web site or Web log or other Internet content for which the employee is responsible will be subject to all University Center policies, rules, regulations, and guidelines. The University Center is free to view and monitor an employee's Web site or Web log at any time without consent or previous approval.
